Located at the iconic Estádio da Tapadinha in Alcântara, CURVA is a 2,000 square meter hospitality destination unlike anything Lisbon has seen before. The space features a custom-built, two-story bar, three curated food trucks, and a state-of-the-art LED screen, stage, and sound system — all set against the stunning backdrop of Atlético Clube de Portugal's historic stadium and breathtaking views of the Tagus River and the Ponte 25 de Abril.

CURVA is the perfect setting for a birthday celebration, corporate event, or any gathering worth remembering. We offer reservations for large groups across multiple tables, as well as full exclusive buyouts of the entire venue.

Our private event offerings are outlined below, but we welcome any conversation about bespoke requests. Whatever your vision, our team is here to make it a reality.
